Achieve3000 publishes KidBiz3000 and TeenBiz3000 -- differentiated literacy solutions that are proven to increase reading comprehension, vocabulary, and writing proficiency for students in Grades 2-12.

Our approach is engaging for students because of high interest content that's delivered through a unique interactive website. It provides:

- An **online Lexile assessment** tool
- **Nonfiction reading content that is precisely and scientifically matched to each student's reading ability.** Teachers can assign the same article for all students, regardless of ability level
- **Ongoing formative assessment** and writing assignments
- **Powerful reporting** to track student performance
- **An ELL component**
- Anytime, anywhere access – Many students also use Achieve3000 after school
